Even though I haven't contributed much to Ivyscan, I still love this site.
I'd like to do more for Ivyscan if I can. and WOW. It's been three years since Ivyscan has started. I know I wasn't here for all three years (just a few months ago actually) but I really like it. When I finally finish translating SOMETHING I'd feel as if I were part of Ivyscan

(:: kurena! ::)
Tokage Ouji was the reason I joined Ivy but I haven't gotten started on it yet... _ But yeah. Ivyscan rocks! It's one of the few shoujo groups that don't do BL or smut, just the sweet stuff. --
I hope Ivyscan will continue scanlating for more years to come.
There're too many untouched cool manga out there! Peace!!

What's all this talk about drinking? I say let's break out the pocky!

I joined Ivyscan almost two years ago when I found Crimson Hero and I have loved every manga since. Though I sometimes take a while to proofread stuff everyone is understanding and great to work with. Ivyscan really puts feeling into our releases! Thanks to vvnme and the other staff members for keeping up a tradition of awesomeness for so long!

(:: Sugar88 ::)
Yay we're going on to terrific three ~
Happy 3rd anniversary Ivyscan

(:: Uta ansaiwa ::)
Well legally I'm not old enough to drink yet, but I'd love ice wine to be a part of this celebration. I haven't been here long enough to say much, but I'd like to thank the whole staff and of course Ivyscan or vvnmescan for all their hard work and devotion to this site and hope everybody's happy because I find it enjoyable to be able to help the staff even if it's a bit.

(:: Jenny ::)
Ahem. I came across Ivyscan's site when I duly browsed through Mangaupdates. As I read that Ivyscan scanlated Pansy, my initial reaction was "Holy! Someone scanlates Pansy, o! This I gotta see!" And since then I've been in love with Ivyscan and it's one of the top scanlators in my list :) I love the fact that Ivyscan chooses high quality mangas in which many of them are classic (it's so hard to find them). That being said, I'm very pleased to be able to join the Ivyscan community and contribute (though not much) to the releases. I hope to be able to continue to do so."---

I USED TO SNEAK OUT TO VISIT THEM IN THIS HUT
WITH THE FINGERS ON THESE HANDS, I USED TO COUNT THE DAYS UNTIL THE BABY WOULD BE BORN
THESE HANDS ALSO MADE THE CRADLE FOR THE NEW BABY.

DURING THAT TIME,
BUT ONE DAY, KIT CAUGHT ME AND CONFINED ME IN THE VILLAGE FOR 10 DAYS
THE HARVARDS BECAME SERIOUSLY ILL
I ARRIVED JUST AFTER THEY PASSED AWAY

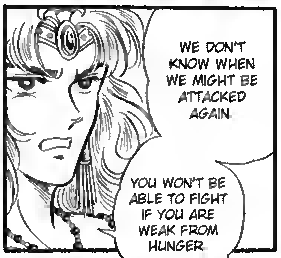
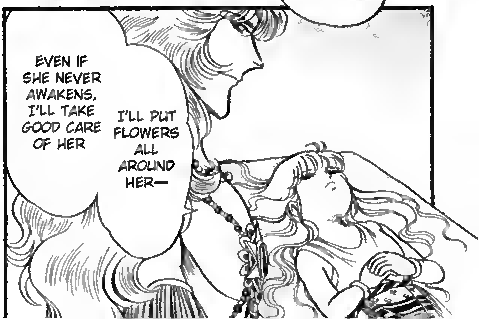
I DON'T NEED TO



WE DON'T KNOW WHEN WE MIGHT BE ATTACKED AGAIN
YOU WON'T BE ABLE TO FIGHT IF YOU ARE WEAK FROM HUNGER



EVEN IF SHE NEVER AWAKENS, I'LL TAKE GOOD CARE OF HER
I'LL PUT FLOWERS ALL AROUND HER—

PANSY IS NOT A DOLL!
I KNOW I'LL SEE HER SMILE AGAIN ONCE SHE WAKES UP
AT THAT TIME, WE'LL DECIDE WHO IS BETTER FITTED TO PROTECT HER

SHIBA IS DEAD. I WONDER WHO WILL TAKE HER PLACE AT RIVACE'S SIDE.
I'M THE ONE WHO SHOULD TAKE HER PLACE.
HEY, I'M MUCH BETTER THAN YOU.
THEN LET'S FIND OUT WHO'S THE BEST.
CLANG

WHAT'S THE POINT OF YOU FIGHTING EACH OTHER?
SHIBA WAS WORTH TEN OF YOU
WHY DON'T YOU CONCENTRATE ON CAPTURING PANSY AND KILLING EDO?
WE ONLY NEED A FEW PEOPLE TO DO THAT.
WHOEVER SUCCEEDS WILL BE THE WINNER.
Yeah!

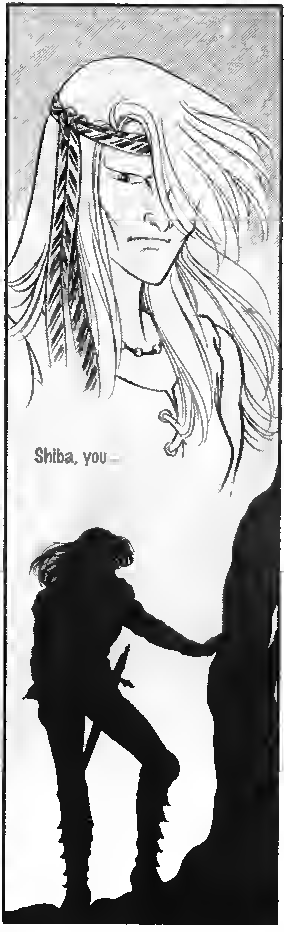
SHE SENT A MESSAGE: 'SNAKE MOVES SILENTLY.'



Shiba, you...

No matter what the torture, she still keeps our secrets.

THWUP
YOU ALMOST DIED LAST NIGHT!
I DIDN'T KNOW. I WAS ASLEEP.
I really am useless
Both of us could have died.
But.. why are we still alive?
